

Pelham Community Church Joint Needs Assessment

Our mission is to grow spiritually strong individuals, families and communities. We promote faith transformation by our actions and words reaching out to show that everyone is valued by God.

February 2018

Introduction

Pelham Community Church is anticipating an exciting future. In September 2017, our previous minister had a calling to another church after 17 years. In an ambitious 2015 building project, our church transformed our main church building into a three hundred-seat sanctuary with the latest technology. But more importantly we have been redefining our mission to match a spirited Christian future for all people in our church and our local/ international community!

A JNAC committee was appointed last August 2017 with a mandate to define staff needs and requirements based on congregational input, a 2016 congregational survey, committee consultations, and staff interviews. The Joint Needs Assessment committee members include Heather Autkar, Elizabeth Abraham, David Boles, Marguerite Tufts, Kerry Guarin and our Presbytery reps Pat Tooley, Rev. Gordon Crossfield. Over the past months, JNAC has been interviewing, assembling pertinent information and meeting to strategize and analyze this information for our JNAC report.

In accordance with the United Church of Canada JNAC protocols, a JNAC report will be presented to Council on February 8, 2018. A congregational meeting will follow where JNAC will present the report. Should the congregation accept the JNAC report, the report will be sent to the Pastoral Relations Committee of the Niagara Presbytery. Pending approval, Presbytery will declare a minister vacancy and initiate a Joint Search Committee for a call to Pelham Community Church. We wish to thank all the insightful responses we received in the form of past and present staff interviews, R.I.O.T. committee member interviews, casual input from congregational members, council support and guidance from our Presbytery reps.

Recommendations

As a result of the JNAC's mandate to review ministry and mission needs at Pelham Community Church, the following motions be referred to Presbytery for approval

1. That the Joint Needs Assessment Committee of Pelham Community Church in Fenwick, Ontario recommends the declaration of a vacancy for one full time minister meeting the requirements of the United Church of Canada.
2. That the JNAC be disbanded after Presbytery approval and that a Joint Search Committee be struck.

History

Pelham Community Church, a congregation of the United Church of Canada had its beginnings in 1839 and was served by a circuit rider of the Evangelical Association to German-speaking settlers in the Niagara Peninsula. In 1848, a congregation formed with prayer meetings held in homes. In 1865, the central portion of the present sanctuary was built. In 1920, the building was enlarged. More renovations and additions were made over the years and we became the Evangelical United Brethren. In 1968, we became Pelham Centre United. In 1986, another addition and renovation was completed. In 2004 the name was changed to our current name of Pelham Community Church. In 2013, plans were made for a major renovation and building project incorporating the original church building. The project was completed and dedicated in 2015. We now have a 300-seat multi purpose space with excellent audio video for concerts and conference like gatherings.

Property

Our location is 461 Canboro Road, Fenwick, Ontario L0S 1C0.

We are located on a peaceful treed semi rural property with a main brick church building, a Church House, and a large 66 vehicle paved parking lot. The beautifully renovated church consists of a large foyer, basement level, and main ground level. The large foyer entrance is at the same

elevation as the parking lot. From the foyer there are stairs going up to the main level and there are stairs going down to the basement level. We also have an elevator that provides accessibility from the foyer to the basement and the main level. Modern handicap washrooms are available on the main and basement levels. All these modern improvements blend perfectly with the original heritage church.

The 620 square metre main level consists of a 300-chair multi use sanctuary, commercial kitchen, accessible nursery, washrooms and storage. The 620 square foot renovated basement level consists of multiple rooms for our youth programs, washrooms, large bright common room, music room, storage rooms and utility rooms.

Nestled in the trees we also have the Church House that was once the manse. This is where our staff offices are located and a general meeting room. The minister's private office has an inspiring treed view.

A good portion of our church was either renovated or added to in 2015 therefore our maintenance costs are relatively low. We have outstanding debt from our 2015 expansion/renovation project of \$322 000.00. The total 2015 building project costs were over \$800 000.

Community Profile

Pelham Community Church is located in the Town of Pelham, in the beautiful Niagara Peninsula. Our beautiful and blossoming town is nestled between Lake Erie and Lake Ontario and is situated in the heart of the Ontario's Niagara Region. Pelham is comprised of five unique and historic villages: Effingham, Fenwick, Fonthill, North Pelham and Ridgeville. Blending successful farming, growing commercialism and five beautiful villages Pelham is truly vibrant, creative and caring! Niagara is wine country, craft breweries, arts, music, theatre, sports, beaches, hiking, biking, recreational trails, festivals, attractions, night clubs, pubs, and renowned farm-to-table culinary destinations, all only an hour from Toronto, and just across the border from Buffalo. And, being located in the cradle of Canadian history, Niagara is dotted with landmarks that recognize a nation's story and celebrate Canada's heritage.
